Re: Request for Extension of Summit Telephone and Telegraph Company of Alaska, Inc.; d/b/a Summit Telephone Company's 2009 Annual Operations Report

Dear Mr. Trout:

On **March 30, 2010**, we received an electronic request from Summit Telephone and Telegraph Company of Alaska, Inc.; d/b/a Summit Telephone Company (SUMMIT) to be allowed to delay submission of its 2009 annual report until **April 23, 2010**. We reviewed the request and determined that the extension should be granted.

SUMMIT indicated that the company required approximately 2-3 weeks in January and February for administrative matters in court related activities concerning the Internal Revenue Service. We remind SUMMIT that the filing of its annual report within 90 days after the end of its annual accounting period is required by statute (**AS 42.05.451**). However, given that the Commission has granted extensions to utilities in previous years for similar circumstances, we will grant SUMMIT's request.

We grant SUMMIT permission to extend its 2009 annual report filing deadline to a date no later than **April 23, 2010**. SUMMIT's attention in this matter is appreciated. If SUMMIT has any questions regarding the contents of this Letter Order, please contact Tyler D. Clark, Utility Financial Analyst, at (907) 263-2103.

BY DIRECTION OF THE COMMISSION

Sincerely,  
REGULATORY COMMISSION OF ALASKA

  
f Robert M. Pickett  
Chairman
